

ABSTRACT SUBMISSION GUIDELINES

The event

SDA and the Conference Organising Committee are delighted to host the 2023 Conference will be on **Friday 27th October** and **Saturday 28th October**, on the Sunshine Coast in Queensland.

We have assembled a line-up of experienced and well-respected professionals to discuss key advancements in sports nutrition research that will influence sports nutrition practice now and in the future.

Submissions of abstract

The SDA 2023 Conference Committee invites the submission of abstract on original work relevant to sports nutrition. Abstracts can be submitted for consideration for an 8 min oral presentation and 2 min of questions (*pre-recorded presentations are an option for those unable to attend the conference in person*) or a hard copy poster. You will be asked to indicate all co-authors, but the presenting author should submit the abstract.

The following pages provide guidelines for Abstract submissions. Please don't hesitate to call the SDA office if you need any assistance or have any queries, otherwise we look forward to receiving your submission.

Important dates

Conference registration opens	1 March 2023
Abstract submissions open	1 March 2023
Early bird registration closes	31 July 2023
Abstract submissions close	31 August 2023
Authors to be notified	Mid-September 2023
Conference registration closes	20 October 2023

****Please note that we will honour the early bird registration for submissions that have been accepted***

General requirements for abstracts

- All abstracts must contain original work that has not previously been reported.
- All abstracts must be prepared according to the guidelines provided.
- Only one first author abstract submission and presentation, but unlimited co-author submissions. The submitting author must present the paper.
- International submissions are encouraged. Presenters are not required to be located in Australia but must be able to present in English.

South Melbourne VIC 3206

- The presenter will be required to register and pay for the conference to ensure their abstract is included in the final program and journal supplement– deadline for author registration is outlined in the table above.
- Oral presentations can be delivered in person or pre-recorded if attending the conference is not feasible.
- Abstracts will be reviewed by the SDA Conference Committee members.
- It is a requirement of all presenters that a biography (maximum of 150 words) is supplied at the time of abstract submission. This is for potential use by the chairperson in each session.

Submission

Please complete the Abstract Submission form online via the SDA Website. If you are experiencing problems or unable to complete the submission process online via the Conference website, use the template at the back of this document and email kristina@sportsdietitians.com.au.

Format

Please keep in mind these points when preparing your abstract:

- Max. 350 words (excluding title)
- Use a clear & concise title that is limited to 130 characters
- Add all authors and affiliations with presenting author in **bold**
- Use text only and no images, figures, or graphs (for the submission)
- Must contain a brief **introduction** (the purpose of the research), **methods** (explanation on data collection and processing), **results** and **conclusions** (discussion and major findings). Please use appropriate headings for these sections
- Add 2-4 key words that represent the abstract topic
- References are not required
- Research must be completed

Evaluation criteria

The following criteria will be used to evaluate the submissions:
