- Please complete all fields to enable us to appropriately review your application.
- Please ensure all address fields are completed including state/region and postcode, this includes overseas applicants who may not use a state & post code systems.
- There are 3 stages at which you will be asked to enter contact details (application form, billing information & shipping details) - if your details are the same this will seem repetitive however it enables situations where, for example, an employer is paying for the course or where the text book needs to be shipped to an address other than the home address on the application.
- When including your post-graduate experience (including clinical and sports) please include organisations and timeframes and note whether the experience is paid or voluntary.
- Your 'sports experience' refers to your personal sporting experience – whilst not essential to your application it does provide us with a broader understanding of your exposure to sports-related environments.
- You will be required to upload your letter of support with your application. You may upload more than one letter if required.
- You will be required to pay your deposit of \$500 (this is refundable if you are unsuccessful in securing a place in this course).
- We recommend purchasing the latest edition of the text book by Burke & Deakin ***Clinical Sports Nutrition 6th edn.***
 - The book is available in hardcopy or e-Book format.
 - Hardcopy \$127 + postage
 - e-Book \$127
 - If you need the book, please add it to the cart when you apply for the course.
 - If you order the hardcopy text book and live overseas, international postage will be approximately \$48.
 - If you do not purchase the book at the time of lodging your application, you can order it through the SDA online store as a separate transaction - be sure to be logged in to your SDA member portal to receive the member price.
- If during the process you click back to the application form to update your information, at checkout you may find more than one course (item) in your cart - please delete the incorrect/incomplete application form by selecting the 'X' next to the academic cap on the left hand side - usually half way down the form.
